ORR Sight Rx Safety Eyewear

ORR's Prescription Safety Eyewear Program

is not just about safety glasses. It's a **safety eyewear administrative system** that integrates technology, data analysis, strategic partners and the internet to provide a comprehensive Rx Safety Eyewear Program that works!

What **ORR Sight** can do for you!

- Lower the costs to internally administer your program
- Track who is eligible for What and When
- Provide detailed reporting packages — **featuring the power of NetSITE**
- Provide higher service levels and faster delivery
- Lower the overall hard costs of Rx eyewear

You're going
to like
what you see!

ORR Sight provides **customized programs** to fit your needs.

STANDARD Program:

- ORR provides you with a customized Rx website that includes specific eyecare providers for your employees' convenience.
- The website also supplies you with an individual Rx Order-authorization form to take to the eyecare provider along with your prescription. Your provider will assist with frame selection and notify your employee upon completion of their order.

SELECT Program:

- If you prefer we can arrange for an eyecare provider to come to your facility to fit and dispense prescription safety eyewear.
- This onsite dispensing program eliminates employee travel, saves time and transfers administrative program functions to the dispenser.

Schedule a personalized demo with your ORR Safety Sales Representative today.

Phone: **1-800-697-4677** ext. 6489

Getting Started is easy as **A - B - C**

Ask whether or not you need
offsite dispensing (**Standard Program**)
or onsite dispensing (**Select Program**).

Base your program on whether or not you need to track eligibility.

Customize your program - ORR works with you to collect
setup data and tailors the program to reflect exactly what you want.

Rx Safety
Eyewear

And **Using ORR Sight** is even easier!

With a click of a button, you'll have all the
information you need to successfully
manage your eyewear program!

- 1 Access** your personalized website either through
ORR Safety's home page or your company's intranet.
- 2 Select** an eyecare provider based on your location.
- 3 Input** employee information manually or use preloaded
information from the eligibility module to generate a
Rx order form.
- 4 Print** off the form and take to your eyecare provider to get
your prescription eyewear. It's that easy!

And at no cost to you, we can provide detailed reporting
packages using the **Power of NetSITE!**

- Access up-to-the minute information to review details
of every invoicing transaction
- Analyze employee purchase history and purchases by
location/department
- Simplifies your annual budgeting process

a **perfectly clear** way to
order Rx safety eyewear.

ORR Safety and Essilor

working together to provide complete,
easy-to-administer eyewear programs

About ORR Safety

ORR Safety has come to be known by its customers as experts in the safety industry. With over 50 years of service, ORR is the largest independently owned safety company in the country. Over 40% of Fortune 100 does business with ORR along with thousands of small to medium size companies.

We invite you to join us and learn from the ORR experts.

About Essilor

Essilor is the leading manufacturer and wholesale distributor of optical lenses in the United States. In 1996, with the establishment of Essilor Laboratories of America, Inc. (Essilor Laboratories), Essilor became the first fully integrated optical company in the United States, specializing in ophthalmic lens production, manufacturing and distribution in addition to wholesale optical laboratory operations. With customers in mind, Essilor works closely with eyecare professionals to provide innovative products that fit their lifestyles.
